Right Rev. Albert MacRae, D.P., V.G. Marked Golden Anniversary, Yesterday

Vicar-General Made Presentation By Parish During Special Mass In St. Andrew's West Church — Many Of Clergy Present

Rt. Rev. Msgr. Albert A. MacRae, D.P., Vicar-General of the diocese of Alexandria, was honoured in his parish church, St. Andrew's West, yesterday morning, when he celebrated the fiftieth anniversary of his ordination.

Monsignor MacRae sang a solemn jubilee Mass at nine o'clock, which was attended by a very large number of his parishioners and friends, as well as by many of the diocesan clergy.

On behalf of the parishioners, Mr. Alex Chisholm read a congratulatory address and the presentation of a purse was made by the members of the parish committee, Arthur Beaudette, John A. Cameron, Myles D. Chisholm, Alexander MacGillivray and P. A. Nolan. The school children attended in a body and made the presentation of a spiritual bouquet to their well loved pastor.

One of three brothers who have served this diocese as priests, Monsignor MacRae is a son of the late Duncan MacRae and Amelia Dixon. He studied in Cornwall schools, St. Michael's College and Toronto University, later teaching for a time in New York City. He resumed his studies at the Grand Seminary, Montreal, and was ordained a priest at Cornwall, September 24th, 1899.

Father MacRae served as Curate at St. Columban's, Cornwall, from 1898 to 1906, when he went to Dickinson's Landing as parish priest, a post he filled for eight years. From 1914 to 1922, he was parish priest at Williams-town, before going to St. Andrew's West.

Father MacRae was named Vicar-General of the Alexandria diocese in 1928, and was honoured by the Pope, in October, 1945, when he was made a Domestic Prelate.

Rt. Rev. Msgr. John MacRae, whose term of office as Superior General of the China Mission Seminary at Scarborough Bluffs, recently expired, was present at his brother's jubilee Mass, as was another brother, Rev. Charles D. MacRae, pastor of St. Martin of Tours parish, Glen Robertson.

His many Glengarry friends will join in congratulations and best wishes to Monsignor MacRae on the occasion of his golden jubilee.

Bi-Lingual Trustees Form Organization

A bi-lingual trustees association in Glengarry was formed recently at a regional meeting of the French Canadian Educational Association, held in Sacred Heart Hall, here. A large number of Separate School trustees were among the many attending the meeting from every section of Glengarry.

Leo Dicakre of Martintown was elected president of the new trustees association. Other officers are: Ovilva Massie, Alexandria, vice-president; Gerard Roy, Glen Robertson, secretary-treasurer.

Directors are: Charlottenburgh, Donat Vaillancourt, Martintown; Lochiel, Henry Seguin; Kenyon, Telesphore Paquette; Lancaster, Edgas Secours; Alexandria, Rene Legault; Roxborough, Rosario Brunet.

The meeting was presided over by Rene Legault, regional president, and Gerard Roy, principal of Glen Robertson Separate School acted as secretary.

On the platform with the president were Mayor Romeo Rouleau, W. J. Major, M.P., Dr. G. L. Latour, Jean Marie Tessier, of the local high school staff, Laurier Carriere, Inspector of Separate Schools for this district, and the main speaker of the occasion, Dr. Louis Charbonneau, of Ottawa.

Dr. Charbonneau, after congratulating the gathering for its large and representative character, went into the beginning and growth of bi-lingual education in Ontario, pointing out that there were now over 1,500 bi-lingual schools and over 4,000 teachers in Ontario. He recommended the holdings of several regional meetings a year and urged all bi-lingual school trustees to attend them.

Inspector Carriere gave a short address, explaining the workings of the School Act as it applied to the bi-lingual schools.

Mayor Rouleau, W. J. Major, M.P., and Mr. Tessier all gave short addresses.

The meeting was graced by the presence of Rt. Rev. Msgr. Secours,

Glengarry Views Given Commission

Briefs Delivered To Legislative Committee At Morrisburg

Stanley Wightman, Lancaster; Lloyd MacRae of Bainsville; William Larocque, and Nelson Belanger of Glen Robertson, represented Glengarry agriculture, when that body met at Morrisburg, Wednesday of last week to hear the views of Eastern Ontario. Charles Shaver of Aultsville, and William Legault, Moose Creek, attended from Stormont.

Osie Villeneuve, M.P.P., Glengarry, a member of the Commission, presided at the Morrisburg sitting. Four briefs were presented from Eastern Ontario, that on drainage by Mr. Shaver, president of the Stormont Cheese Producers; on Crops and Soil Conservation, by Mr. McNish, president of the Eastern Ontario Crop Improvement Association; on Flooding, by Mahlon Zerau of Mountain, president of the Nation River Conservation Authority; on Reforestation, by Edgar Clow of Brockville, secretary of the Leeds County Federation of Agriculture.

Briefs had been prepared by each county group and had been compiled two weeks earlier into the four briefs which touched on much suggested in the Glengarry paper. The Glengarry brief was as follows:

The County of Glengarry is one of the older settled districts in Eastern Ontario, and because of its geographical situation and the topography of the district its soil and conservation problems are many and varied.

Drainage is the first essential in good farming, and is the major limiting factor in crop production in the county. Lack of sufficient drainage effects the agricultural economy of the county more than any other single factor. Outlets for surface and ground water are quite insufficient and before any drainage program can be initiated, outlets must be provided.

For seven years from 1941 to 1947, inclusive, grain and corn crops in the county were only 25 per cent of normal

Mr Ellis Kirby Died At Marriott

(The Zealandia (Sask.) News)

The passing of Joshua Ellis Kirby, which occurred at his residence on Sunday evening, August 28th, has removed a familiar figure from the Marriott district. Mr. Kirby had not enjoyed the best of health for the past few months, but his sudden passing was entirely unexpected and came as a great shock to his wife and friends.

Mr. Kirby was born at Ottawa and came west in 1915. He was 70 years of age and had served as an elder of the United Church at Muirland. He was also a Past Master of Zealandia Masonic Lodge. He is survived by his wife.

The funeral service was in Zealandia United Church on Wednesday afternoon, conducted by Mr. A. Alfred. The church was filled with relatives, brother Masons and friends from a wide area who had come to pay tribute to the memory of a fine gentleman. The many beautiful floral tributes attested to the high regard in which he was held.

The hymns sung by the congregation were "Unto the Hills" and "The Lord is My Shepherd." The choir was in attendance, with Mrs. R. R. Greenman as organist.

Following the church service, the Masonic rites were performed in the church by Rt. Wor. Bro. A. F. McFaull.

Pallbearers were Wor. Bros. Ron Pearson, N. B. Douglas, R. MacRae, H. L. Morrison, L. M. Angus and J. A. Clark.

Flowerbearers — W. A. Thompson, Jas. Ritchie, Norman Cooke, Ernie McMillan, Clarence McNally and Clinton Robson.

Ushers at the church were Bros. J. A. McFaull and J. S. Ritchie.

The remains were afterwards taken to Saskatoon for shipment to Mr. Kirby's former home, Chute a Blon-deau, Ont., where interment was made in the local cemetery. Rev. Dr. Carson conducted the service at the home of Beardsley Wyman.

Among those attending the funeral were a number of friends from Kirk Hill, the former home of Mrs. Kirby.

Mr. and Mrs. Albert Dale Honoured By Family And Friends

Well known and valued citizens of Alexandria, Mr. and Mrs. Albert Dale celebrated their twenty-fifth wedding anniversary, Friday evening, September 16th.

Mrs. Dale is the former Allie McDonald, daughter of the late Mr. and Mrs. Hugh Allan McDonald, pioneer resident of the Glen Sandfield area.

The marriage took place September 16th, 1924, in Glen Robertson parish church, the celebrant being Rev. A. L. McDonald, now pastor of St. Mary's Church, Williamstown, who honoured Mr. and Mrs. Dale by being present on this happy occasion. Rev. R. J. McDonald, pastor of St. Finnan's, Alexandria, also called to congratulate the jubilarians.

Mr. and Mrs. Dale have six children, Hugh, Dorothy, William, Patricia, Marion and David. Hugh and William were unable to be present, but sent their good wishes.

Many friends and relatives of Mr. and Mrs. Dale came to spend the evening in their very hospitable home and offer congratulations. Delightful music was supplied, and an old time evening was enjoyed by all present.

A delicious lunch was served at midnight, the table being centred by a three-tiered wedding cake, after which an address was read by Mrs. D. A. McIntosh, and a substantial purse presented on behalf of relatives and friends, by Mrs. Finlay McNeil, Glen Sandfield. Many gifts and congratulatory messages were received.

Mr. Dale replied in a few well chosen words on behalf of himself and Mrs. Dale, thanking all for so kindly remembering them on this happy occasion.

All joined in singing "For They Are Jolly Good Fellows," after which dancing was resumed.

No Health Nurse To Be Stationed Here

Miss Lina Costa, resident nurse, here, for the Counties Board of Health, has resigned her post and left last Friday for Toronto, where, on September 29th, she will marry Mr. Thomas Lang of Rochester, a student at St. Michael's College.

We understand the Board of Health does not intend to keep a resident nurse here in future. Miss Glenna French, P.H.N., now stationed at Cornwall, will come here to organize clinics and other activities.

Ninety Years Young

Mr. and Mrs. Donald A. Macdonald are in Montreal today, to join in the celebration of the 90th birthday anniversary of her father, Colonel Alexandre Roy, M.V.O. His many Alexandria friends will join in wishing the genial Colonel many more years of good health.

A.H.S. CHIT-CHAT

Here we are back again for another year to try to keep you up to date with the goings-on at A.H.S.

This term we wish to welcome to the school, three new teachers, Miss Fern Berry, Mr. Angus R. Macdonell and Mr. Jean-Marc Tessier. Also on the teaching staff are Mr. Ted Richardson, who was with us as a supplementary teacher for some time last year; Mr. J. S. Stark, who is back in our midst after a lengthy illness; Mr. G. F. Osborne, Mr. Lorne Whelan, Mr. Cecil Dove, Mr. Campbell Fraser, Miss Therese Barrette, Mrs. D. A. Macdonald and Mr. J. T. Smith. We hope that the teachers all have a very pleasant term and that we pupils prove more successful than last year.

By the time you read this, our Field Day will be a thing of the past. We hope you all enjoyed it very much, as the efforts of Miss Barrette and Mr. Richardson merit your appreciation.

The shop and home economics room were busy places on Tuesday, when a bus full of pupils from Williamstown High School travelled here for instruction in those subjects. In the future they will attend A.H.S. every Tuesday afternoon.

Lochiel Captures Valley Title

Wins McDonell Trophy Despite 2-0 Setback At Ottawa, Saturday

The Lochiel soccer team, Glengarry champions, have become the fourth holders of the Angus H. McDonell Shield, emblematic of the Ottawa Valley championship. Although beaten at Ottawa on Saturday by Ottawa Rangers by a 2-0 count, the Glengarry squad took the title by a round score of 4-2, having won on their home grounds by a 4-0 score.

The shield was put into competition in 1946, and Pine Grove twice, Ottawa Rangers and Lochiel have since won it. Rangers missed two chances when they failed to score on penalty shots, one coming in each half. The Ottawa team played a man short for most of the game, as Jock McCulloch was banished in the first half for fighting.

Goal-Getters

Stan Taylor in the first half, and Archie Creighton in the second, were Rangers' scorers, and Dunc Cheyne played a fine all-round game for the winners. Leo Davidson, Lochiel captain, was the star of his team, while Edwin Hay played a stout game in goal.

After the game, the secretary-treasurer of the O.D.F.A. presented the Shield to Leo Davidson. Vice-president Frank Atwood, of the O.D.F.A.; Rev. Charles F. Gauthier, of Lochiel, and Alex McDonell, president of the Glengarry League, also spoke briefly. Archie Creighton congratulated the winners.

The teams:

Ottawa — H. Marshall; D. Cheyne and J. McCulloch; A. Creighton, C. Baker and K. Dale S. Laing, F. Howell, S. Taylor, J. Dods and W. Stenhouse. Subs, J. Castle, J. Elrick and J. Smelle.

Lochiel — E. Hay; B. McDonald and L. Davidson; R. Fournier, H. Hay and A. Quesnel; D. O'Brien, W. McLeod, E. McPhee, K. Hay and F. Quesnel. Subs, F. Davidson, A. Quesnel and R. McPhee.

Referee, Johnny Graham, Ottawa.

Many Attended Farm Forums Rally

Large representations from the various Farm Forum groups in Glengarry attended a rally in Alexander Hall, here, Thursday evening of last week. The meeting heard several interesting addresses and a short business session was held when it was decided to sponsor a Harvest Ball in the near future.

Rev. James A. Wylie, P.P., Glen Nevis, who spoke on Co-operative and Credit Unions, declared that the future belongs to those who live on farms and in small villages. "We must keep them there," he said, "by providing higher prices for produce and sufficient returns for the work they are doing on the farm." "Farmers are not getting a square deal now and Government could assist in improvements for home and farm land." He advocated the use of co-operatives in buying and selling and went on to outline the principles of co-operatives.

Adult Education was the topic of an address by Rev. N. F. Sharkey of Lancaster, who gave his address around the theme, "Grow up and live." Most of our shortcomings, he pointed out, result from people acting like children instead of grown-ups. We must become more tolerant of others and should we study ourselves we would be easier to get along with and the world would be a happier place.

Mr. Croskery, agricultural representative of Carleton County, spoke on Farm Beautification, reviewing progress in his county, much of which was due the work of Women's Institutes and rural Horticultural societies. Free landscape service might stimulate interest in this work, he said, in suggesting the Farm Forums interest themselves in this project. He outlined some improvements, painting of mail boxes, clearing lanes of weeds and rubbish, naming of farms, repairing and painting of buildings and planting of flowers and shrubs.

Daylight Time Being Extended To Late October In Several Municipalities

Alexandria, Maxville and Charlottenburgh Known To Be Extending Date A Month. In Line With Action Of Cities

At least three Glengarry municipalities which had been on Daylight Saving Time throughout the summer months — Alexandria, Maxville and Charlottenburgh Township — have extended the summer time at least one month, in line with action taken by the principle cities and many other centres. The move was made primarily to husband hydro electric power and thus alleviate the necessity of power cuts this fall.

At a special meeting of the Alexandria Council, Monday night, the Daylight Time by-law was amended so that fast time might be continued until October 30th.

The meeting was held primarily to give first and second reading to a by-law authorizing the construction of a sewer on Lochiel street and north along the east side of the Mill Pond. Tenders will not be called on the project, the work to be done by municipal workmen.

The meeting was informed that the auxiliary plant to pump water from the Mill Pond had been in operation since Saturday and was proving very satisfactory. The present 2 1/2-inch hose leading to the nearest hydrant is to be replaced by a 4-inch pipe line to be laid above ground.

Transfers Business To His Son

After 35 years in the mercantile business at St. Raphael's, Mr. Angus A. Macdonell on Tuesday transferred his store business and farm over to his only son, Mr. Duncan Macdonell. His son had been operating the home farm for several years and now will take over operation of the store as well.

One of the most widely known residents of Glengarry, Mr. Macdonell intends to continue living in the old family home and will no doubt be available to assist his son in operation of the dual business. Though born at Lancaster, Mr. Macdonell has resided at St. Raphael's throughout almost all his lifetime. His store building was, prior to 1914, the old St. Raphael's Hotel, which was conducted by Mr. Macdonell's father before being converted into a general store.

Three District Men Called To The Bar

Three district men were called to the Bar, Thursday of last week, at convocation ceremonies of Osgoode Hall, Toronto. They are Hubert Dancause of Apple Hill, B. J. McKinnon of Vankleek Hill and Patrick Vincent of Cornwall.

Mr. Dancause is a son of Mr. and Mrs. Alexander Dancause of Apple Hill. He was educated in local schools and then attended Ottawa University. He obtained his B.A. degree from Western University, London, and then attended Osgoode Hall. For the past two years he has been articled to C. J. McDougall, K.C., Cornwall.

A graduate of McMaster University, Mr. McKinnon was a 1946 Rhodes scholar and read law for three years at Exeter College, Oxford.

Studying Pipe Organ At Princeton

Gordon Fleming, talented young son of Rev. and Mrs. J. McL. Fleming, left September 10th for Princeton University, where he will major in pipe organ work at Westminster Music College. Gordon studied for three years at Ottawa, where he won his degree as an associate of the Royal Toronto Conservatory of Music.

We learn he was successful in qualifying tests at Princeton and is now under the tutelage of Dr. Alex McCurdy, one of the greatest organists in America. He reports a warm reception at Westminster College, where he is the only Canadian student.

In Over-Ninety Club

Mr. John P. MacKercher of St. Elmo, again qualifies for mention in the over-ninety club; on Saturday, September 24th, when he will observe his 92nd birthday. Page our Neighborly Newscaster.

An impressive last tribute of respect was paid the memory of the late Dr. A. Clarence MacPhee by members of Alexandria Legion Branch, relatives and friends, at the funeral, held Saturday morning, at 10 o'clock, to St. Finnan's Cathedral and cemetery. Pipers, playing a lament, headed the lengthy cortege and the flag-draped casket was preceded by an honour guard composed of war veterans and members of "D" Company, S.D. & G. Highlanders (Reserve), under Sergeant-Major David L. Lalonde.

Dr. MacPhee, who served for five years with the R.C.A.F. before his discharge in 1945 with the rank of Squadron-Leader, died in hospital at Bremmerhaven, Germany, September 1st, a few days after receiving fatal injuries in a fall. Dr. MacPhee had been associated with the Canadian Immigration Mission in Europe, and the members of the Mission were represented at the funeral by Dr. H. D. Reid and Mr. McFarlane of the Department of National Health, Ottawa.

Impressive Tribute To Late Dr. MacPhee

The body of the late Dr. MacPhee was conveyed to New York by plane and arrived in Alexandria by train, Thursday evening. The funeral was held Saturday morning from the Marcoux & Morris Funeral Home to St. Finnan's Cathedral, where the Solemn Mass was chanted by the rector, Rev. Ronald J. Macdonald. He was assisted by two ex-members of the Chaplaincy Service, Rev. Ewen J. Macdonald, as deacon, and Rev. Donald A. Kerr, as sub-deacon. Present in the Sanctuary, were Rt. Rev. Msgr. D. F. Macdonald and Rev. Charles F. Gauthier, the latter reciting the prayers at the graveside.

Pipe-Sergeant Roy McDonell and Piper Gordon Kippen of Greenfield, played a lament as the casket was lowered into the grave. The Legion ceremonial was conducted by Comrade Dave Lalonde.

Drainage Show Set For Plowing Match

The farm of Joseph Filion, of Green Valley, is the chosen site for the Glengarry Plowmen's Association's annual plowing match, to be held on October 4th.

In addition to the match, there will be a far machinery demonstration, a tractor rodeo and safe handling competition to be sponsored by Charlottenburgh Junior Farmers and a drainage demonstration by the Crop Improvement Association, which is expected to feature bulldozers, road maintenance and farm equipment.

A lunch booth on the grounds will be sponsored by the Lancaster Junior Farmers.

The annual Plowmen's banquet will be held in the evening at the Presbyterian Peace Memorial Camp at Lancaster.

Etiquette for Canadians

—BY—

Claire Wallace

Some doctors say there's nothing wrong with their hospitalized patients that a few visitors wouldn't cure, but others say their patients would be up and about if it weren't for the visitors. Statistics show that one out of every nine persons in Canada receives hospital care annually and an average of five others visit patients. At that rate, most of us go to hospital either as patients or visitors each year. And so our bedside manners can be as important as the doctor's.

The art of being a good hospital visitor begins with the decision of whether or not you should visit at all. A patient who looks and feels awful usually prefers to be left alone for a while. In that case, a cheery letter or card will show interest and sympathy, and will be especially appreciated if you thoughtfully add: "Don't bother to answer this."

Visits to hospitals are best preceded by a phone call to ask if the patient can have visitors and, if so, during what hours. Twenty minutes is a lengthy visit with a sick friend, and even that should be cut short if others arrive while you are there.

Smoking is taboo during hospital visits unless the patient suggests it. Don't even ask if you may light up.

If the visitor gives way to nervous habits, the visit may be spoiled for the patient. For example, don't perch on the bed, tap the bed with your foot, or pace the floor. Pick a position where the patient can see you easily and sit there quietly.

Thoughtless conversation may leave the patient distressed and nervous for hours and may even bring about a relapse. There's nothing but harm in stories about people who have died of a similar ailment.

After being cooped up alone or with only a couple of people around, it's probable that the patient would like to do most of the talking. That's bound to be the case with people recovering from an operation. Let him or her talk on and on about stitches, the spinal anaesthetic or how wonderful the doctors and nurses are. But be very careful that your own conversation, especially to a heart case, isn't likely to be exciting or upsetting.

News of mutual friends and interests may be appreciated if you can be sure it isn't going to make the patient more discontent with confinement.

As for gifts, surprises are all very well if they're well-planned, but it's usually safer and better to check in

advance on what the patient would like. If a forest of flowers is already hiding the walls, a patient isn't likely to be grateful for a tub of tulips.

If you are visiting regularly, vary your gifts with things like a magazine, book, bottle of eau de cologne, powder or handkerchiefs. That's just one of a million ways in which a thoughtful bedside manner will speed the patient through a happy confinement to an early homecoming.

Question and Answer

Question: If your hostess at a large party has all her dances taken should you write her a note of regret?

Answer: It would be sufficient to tell her you regret you were unable to have the pleasure of a dance with her.

Readers are invited to write Claire Wallace about their etiquette problems. Address Claire Wallace, care of The Glengarry News, Alexandria, Ont. Replies will appear in this column.

Glengarry Views

(Continued from Page 1)

due to excessive precipitation and lack of drainage. As a result, every farmer in the county is quite drainage conscious and anxious to provide same. Outlets for water are, in most cases, provided by award ditches and three large municipal ditches. However, most of these ditches have since the outbreak of the war been neglected and filled up, and are not providing outlets. While municipal councils and individuals involved are anxious to have them cleaned, it is impossible to obtain engineers to make awards. At the moment application has been made for awards on nine ditches in one township and while the engineer has been working on these for three years, none have been completed. While many of these awards could now be placed under the municipal act and be much improved under same, we have no one who can give us a definite decision as to the advisability of doing so. Likewise the advisability of draining certain areas is debatable and at the moment we have no authority to make such a decision. Recently two municipal ditches have been completed which would provide an outlet for tile drains over a large area. However, the expense of providing tile drainage is at the moment prohibitive due to the high transportation charges on tile. Our closest regular supply of tile is 130 miles distant and transportation on tile amounts to over \$30.00 per thousand.

Suitable drainage equipment is lacking and available equipment taxed to capacity. Private contracting firms are at the moment charging excessive rates which make drainage prohibitive. We would advise that:

1—A resident civil engineer be stationed in Eastern Ontario and employed by the Ontario Department of Agriculture, whose services could be loaned to municipalities for the purpose of making awards and surveying municipal ditches at cost to the municipality. Such engineer to be provided with a field staff and be available at all times for municipalities to call on for advice.

2—That legislation be provided for the appointment of a Board of Arbitration in each county to decide the advisability of draining certain areas, the advisability of converting existing award ditches to municipal drains and the necessity of cleaning existing drains.

3—In view of the high cost of drainage and in order to further encourage it, we recommend that this matter be brought to the attention of the Dominion Government with a view to having a deduction made from taxable income or depreciation on drainage facilities at a reasonable rate.

4—That the province provide a subsidy to cover at least the freight equivalent on the transportation of tile.

5—That the Department of Agriculture provide a grant of one-half the initial cost of ditching equipment to such municipalities as wish to purchase same for use of farmers in the municipality. Services of such equipment to be provided at cost.

Soil Depletion:

Glengarry being one of the older settled districts in the province, soil depletion is an important factor in the county. Recently nutritional deficiency has become evident in our livestock, which was unknown 20 years ago. The lack of humus or organic matter in our soils is becoming increasingly evident. We would recommend:

1—That a soil survey be made in the immediate future and a report published on same in order that a more definite soils program be undertaken in the future.

2—That soils, soil conservation and crop rotation be included in the course of agricultural study and that the subject of agriculture be a major course in all primary and high schools.

3—That grants to county C.I.A. be increased in order that more demonstrations on soil improvement could be initiated in the county, especially in the field of increased organic content.

4—Due to the urgent need of further research and extension work for Eastern Ontario, we recommend that Kemptville Agricultural College be further enlarged to be able to carry on more research and extension work. Due to the fact that a large percentage of the income of the farmers in the district represented in this brief, is derived from the sale of livestock and livestock products, it has been found necessary to purchase large quantities of feed grains. Each year new weeds are introduced to the district in feed grains purchased from Western Canada.

We would recommend that the regulations of the Clean Grain Act be completed and enforced to protect our farmers. This act, passed in 1937, has never been enforced.

Clover Dodder was first introduced to Glengarry county in 1940 in a shipment of ungraded flax seed. Forty-three farms in the township of Lancaster are now affected. To our knowledge only one other farm in the province of Ontario harbours this parasitic weed. Farms in Glengarry infested by this plant have decreased in value by about 75 per cent, and a number have changed ownership as often as five times in nine years.

To prevent the further spread and development of this weed we would recommend that the Weed Control Act be revised to give the district weed inspector power to supervise and regulate the disposal of crops from infested dodder farms and regulate the rotations used on such farms. That where complete destruction of a crop was found necessary that a owner should be compensated for his losses.

Reforestation:

Glengarry county contains a large area of soil which cannot be brought under cultivation. Much of this area is not under forest cover but used as pasture which is, in most cases, quite unproductive. Many of the existing woodlots are not fenced to protect them from cattle, and as a result are composed only of mature trees. In recent years a number of farms have been purchased only for the wood that was on them, then clear cut and abandoned. While only 69.5 per cent of the county is assessed as cleared land, a very small percentage of the remainder is under productive forest cover.

We would recommend that:

1—Assessments on properties should be more carefully reviewed and that municipalities should be required to give exemptions on reforested areas and fenced woodlots under the assessment act.

2—That trees should be classed as a crop and therefore not subject to assessment. Under present regulations municipal taxation laws class trees as part of the land.

3—That the facilities of the Department of Lands and Forests for the production of seedling trees for reforestation purposes be expanded in order that all orders may be filled.

4—That due to the fact that seedling trees often do not arrive early enough in the spring that the nurseries be encouraged to ship trees earlier.

5—That municipalities be encouraged to take a lead in the reforestation work by the establishment of municipal forests and the reforestation of any property seized for taxes and deemed unfit for cultivation.

6—That the Department of Highways be encouraged to continue to take a lead in rural beautification by seeding all new highway right-of-ways with persistent species of grasses which will compete with weeds and that the planting of trees where feasible should be further encouraged.

Chose Your Ideology

(From an address by The Hon. Igino Giordani, Member of the Italian Parliament.)

Chesterton said, "When you go to a landlady, don't ask her the price of the rent, ask her about her ideology. For upon her ideology depends the price of the room."

A pagan statesman, the Roman Senator Cato the Ancient, having exploited his slaves in such a way that after eight years they were no good any more, used to send them to die on an island on the Tiber, throwing them out together with worthless asses and lame sheep.

It was his ideology, by which slaves were just tools and animals.

A modern pagan, Hitler, picked out the old and infirm, and sent them to the incinerators.

It was his ideology, by which a man deserves life only so long as he can work on the land or shoot in war.

The Bishop of Munster, von Galen, protested from the pulpit, saying that a man's life belongs to him as a gift from God, and cannot be limited by any other man. That was his ideology.

The first ideology resulted in death, the second produced life.

Some people think that to talk of ideology is to talk of useless things. They believe that talking of coal, potatoes and money is realistic; talking of love, unselfishness and brotherhood is unrealistic.

They do not realize that the use of money, the distribution of coal and the sale of potatoes depend on ideology: namely on the conception of man and of God.

If you believe in God, you see man as his son: a divine value which deserves your love and your service.

If you don't believe in God, you see man as an animal to be exploited, a tool for production, a rival who limits your space in the trolley bus.

Some years ago, some Argentine landowners who had too much grain, threw hundreds of tons of it into the sea. According to their ideology, the grain was made only for their selfishness.

According to our ideology (Moral Re Armament), grain is grown for the benefit of all, because all are sons of God who gives us our daily bread. Therefore the surplus belongs to those who have less. Frank Buchman has said: "There is enough for everyone's need, but not for everyone's greed, if everyone cares enough and shares enough, everyone will have enough."

It is in our hands to choose an ideology of death or an ideology of life.

To Publicize Hockey

Followers of hockey in the Ottawa district are to be kept more fully informed of happenings in the Canadian Amateur Hockey Association and the Ottawa and District Amateur Hockey Association. Secretary-Treasurer Cecil Duncan is arranging for the distribution of bulletins which will be issued from the secretary's office twice monthly. These bulletins will contain items of interest to local hockey fans, interpretation of decisions handed down by the Canadian Amateur Hockey Association and reports of meetings of the Ottawa and District Amateur Hockey Association.

Presidents of the various leagues operating in the association last year and the secretaries of the clubs within the leagues are asked to get in touch with Secretary Duncan immediately, so that their names may be included in the mailing list.

McCRIMMON

McCrirmon Women's Institute met in McCrimmon Hall, Thursday afternoon, September 15th, with an attendance of 14 members. Mrs. W. R. MacLeod, president, presided.

All members answered the roll call, which was "a quality I admire in a friend." The secretary read the minutes and correspondence. She also gave a report of the garden party, and the financial report.

A motion was passed that we apply for the legislative grant.

Discussion on sponsoring the Girls' Club work this year: Mrs. D. D. MacMaster and Mrs. D. Crevier, to find out if the girls will form one or two clubs.

Mrs. Rory MacGillivray conducted a sewing contest, then Mrs. J. N. MacCrirmon gave an account of a trip she had by bus, when she was visiting her daughter last spring in Allantown, Pennsylvania, to Washington, D.C. She also showed views of the White House, places of historical interest, and a number of pictures of the beautiful cherry trees in blossom.

Mrs. W. R. MacLeod was appointed delegate to the Ottawa convention.

Lunch was served by a committee. Margaret MacDonald was hostess.

Mrs. D. D. MacMaster handed in to the secretary the money she collected on her line for the Salvation Army.

Population Nears 13,500,000

Canada's population shot ahead by leaps and bounds in the last year and is now estimated at 13,545,000, the Bureau of Statistics reports.

Spurred mainly by the addition of Newfoundland's estimated 348,000 and a high entry of immigrants, the population advanced by 662,000 in the year ended June 1st. All provinces shared in the increase except Prince Edward Island.

"Largest for a year on record," the bureau reported of the increase.

During the 12 months ended June 1st, approximately 342,000 children were born in the nine provinces excluding Newfoundland, while deaths numbered 117,000. This meant a natural increase of 225,000.

At the same time, nearly 125,000 immigrants entered the Dominion, although this was offset to some extent by emigration of more than 30,000 persons.

The bureau makes annual estimates of population, bringing its figures into line every ten years with the official census, due to be taken again in 1951.

THE CANADIAN ARMY — "INSURANCE FOR PEACE"

In towns and cities across the country, Canada's Citizen-Soldier is enthusiastically engaged in an all-important job. The spare evenings he devotes to training help to assure the well-being of Canada, because the Reserve Force forms an important part of this country's defence forces.

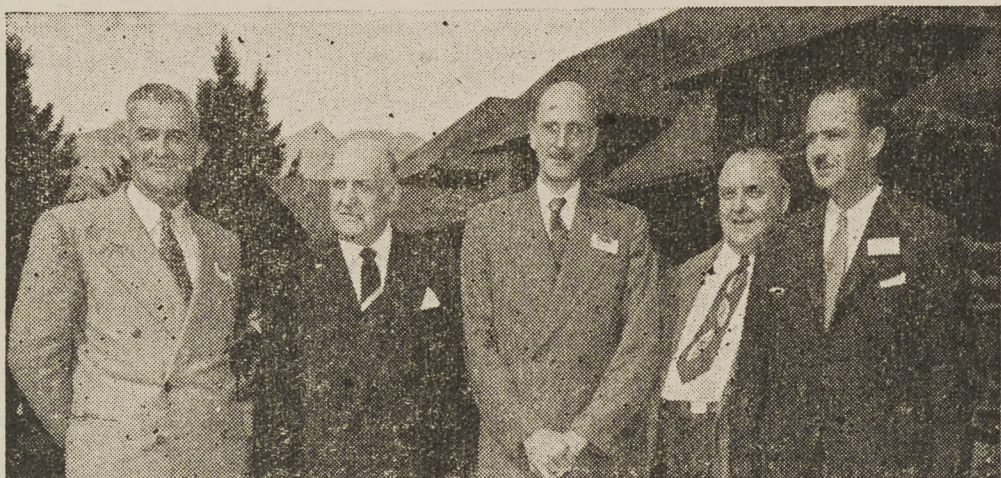

The new Reserve Force offers many personal advantages: trade and technical training; Active Service rates of pay for time spent in training and summer camp; a full programme of sports and social events for men who get a kick out of working together.

Visit the Regiment or armoury of your choice for complete details. You can help yourself and Canada by joining the Reserve Force.

Egg-Cultured Vaccine to Protect Cattle

Eradication of rinderpest, the cattle disease which kills some 2,000,000 farm animals every year is now a practical possibility, the Food and Agriculture Organization of the United Nations (FAO), reports. During the war American and Canadian scientists discovered that by growing the virus inside hen's eggs, speedy mass production of rinderpest vaccine is possible. Here, a FAO technician is seen harvesting egg membranes rich in rinderpest virus.

Fine Weather On Closing Day Ensure Success Williamstown Fair

Perfect fall weather on Wednesday's closing day brought out a large crowd to the 136th annual exhibition at Williamstown, ensuring the success of the big event. An estimated 7,500 visited the oldest fair in Ontario, despite drizzling rain Tuesday afternoon which cut the attendance.

Among highlights of the fair, were the Glengarry Black and White Show, on Tuesday, and the Red and White Show, Wednesday, which brought out some of Glengarry's finest purebred cattle.

Entertainment on both days was provided by the Charlottenburgh Junior Farmers, who sponsored contests in junior piping, Highland dancing and fiddling.

Lorne McDonald walked off with the major awards at the Glengarry County Black and White Show. In addition to numerous class prizes, Mr. McDonald took the T. Eaton Trophy for the best uddered cow.

The Valiantcort special prize for the best display among the 81 entries at the show went to Curtis St. John.

Mr. McDonald won the bull junior championship, reserve grand and reserve senior bull championships, senior and grand championships for cows, four years and over dry, as well.

John McArthur showed the reserve junior champion bull yearling.

Curtis St. John exhibited the junior champion heifer, and the reserve senior and reserve grand champion heifer.

Senior and grand champion bull awards went to Donald E. Kennedy and Sons.

Exhibits in the domestic and needlework classes in the agricultural hall were at an all-time high and attracted many visitors.

There were also many fine displays of farm machinery and feeds to attract the attention of district farmers.

Calf Clubs

Fifty-one boys and girls participated in achievement days for six calf clubs of Glengarry. There were eight girl exhibitors, all of whom showed good results, although they failed to cop first prizes.

Following are the winners in the various calf clubs: Maxville Ayrshire, Walter Blaney; Maxville Holstein, Ian MacLeod.

Lochiel Ayrshire, Donald A. McLennan; Lochiel Holstein, Jack McGillis. Williamstown Ayrshire, Arthur Robertson; Williamstown Holstein, Leo Major.

Judging was by David Hunter, of Cornwall, and the display was under the supervision of J. Y. Humphreys, Glengarry agricultural representative.

The Holstein results were judged by Fred Hubbs, of Bloomfield, Ont.

Domestic Science

Mrs. Mac Cumming, of Lancaster, won the Simpson Special, a silver tray, by collecting the largest number of points in the cooking class. She placed in 12 of the 16 exhibits, taking three firsts, for her white layer cake, assorted cookies and school lunch, as well as four seconds and five thirds. Her point total was 22.

Miss Clara Murray, of Martintown, won the Brandram Henderson special presented to the lady winning the most points in the canning class. She chalked up 34 points by taking seven firsts, four seconds and two thirds. She placed first in the canned raspberries, peaches, two native fruits, raspberry jam, pineapple jam, tomato juice and corn, as well as the special collection of canned vegetables.

Special prize in the junior girls' class was won by Catherine Clark, of Martintown, with 15 points, gained with four firsts, a second and a third. Miss Clark also took first prize in both sec-

Hello Homemakers! Most farmers cull out the "boarders" of the year-old poultry flock at this time of year and fatten them for market or kill and store for the family table.

With access to a cold storage locker or a home freezer, you will be advised to consider this method of storing dressed poultry. To prepare fowl for freezing requires no special tools. You clean the bird, exactly as you would for cooking, and then wrap it in moisture-vapor-proof paper.

If your right-hand man is inexperienced in killing poultry the easy way, you can ask for a bulletin on dressing poultry from your agricultural representative. It will save time and last minute preparation for serving the storage bird if it is singed and stuffed before freezing. If sage or thyme is used in the dressing, the amount be one-third of usual quantity as herbs may permeate the meat if too much is used. Once the bird has been cleaned and prepared, it should be wrapped and frozen at once. If this is not possible, keep in a cold place, preferably under the freezing unit of the refrigerator.

Wrapping meats for freezing requires special paper. Regular butcher store paper cannot be used, nor can household wrapped paper. Poorly wrapped birds dry out in storage and are tough and dry when cooked. They may also become rancid. Ask for waxed-sulphite paper and gummed tape. Alternatives would be aluminum foil or heavy parchment paper. Wrapping materials may be purchased from a locker company, feed store or a district co-operative.

As the prepared chicken is wrapped, fold in one end and smooth the paper

There were 55 entries in the Red and White Show.

Horse Results

Special prize for the best lady driver went to Mrs. Gordon McNeil, of Williamstown. Best four horse team was shown by Robert W. Goth, of Billings Bridge, Ont.

Best heavy or light single was also shown by Mr. Goth. Best high stepper was driven by Cecil White, of St. Jerome, Que. His horse is the Grand Champion Hackney mare for Eastern Canada.

Special for the best heavy foal, 1949, was shown by Ernie Hunter, of Vankleek Hill. Best foal, 1949, light, was owned by Gordon McNeil, of Williamstown.

Best 1949 colt shown by a boy or girl under 12 years was also owned by Mr. McNeil. The Tandem special was exhibited by Mr. White and the best Hackney mare was also shown by Mr. White.

Mr. McNeil took the express and general purpose class with two firsts and a third, and also took two firsts and a second in the roadsters class.

Mr. White took the Highsteppers class with two firsts and a third.

The Ponys class was monopolized by Wilmer Stephens, of Vankleek Hill.

In the carriage horses class, Mr. White led with five firsts, a second and a third.

Highland Dancing Results

Joan Gow, of Cornwall, captured the trophy in the 16 years and over division of the Highland dancing competitions. Miss Gow was first in all three events, and Catherine McLeod was second, with Lorraine Grant and Jean Douglas taking third-prize medals.

Trophy in the 13 to 15 years group went to Joan Decaire, also of Cornwall. Miss Decaire was first in two classes, while Jean McInnis, of Maxville, was first in the Highland Fling.

Darlene Lagden, of Cornwall, was first among the junior dancers and was presented with a trophy. She won all three events.

Trophy in the nine to 12 years group was taken by Virginia McGillis, of Harrison's Corners. Gladys McDonald and Sandra McLeod were first in two of the dances.

Connie Kippen, of Maxville, and Beverly Campbell, also of Maxville, placed first and second in the junior piping contest.

W. A. McPherson, of St. Thomas, judged the dancing, and pipers were Roy MacDonald, Connie Kippen and Peter MacInnes.

EVERYBODY'S BUSINESS

by Don Graham

Whenever someone does you a wrong you can make matters better or worse by your own reactions

Harry and Al work at the same job. But when there's extra work to be done, Al always has some excuse for not staying overtime. He leaves Harry to finish up.

Naturally Harry resents being thus imposed on. But he nourishes his resentment and soon becomes grouchy with everyone—even his own family. Because of his irritation, his work suffers.

How much better it would be if Harry refused to be upset by these incidents! Or if he talked things over frankly with Al, or

his boss, and insisted on a fair deal.

So it is whenever anyone offends us. We cannot live happily and do good work while smoldering with resentment. We must learn to take these wrongs in our stride, or get at the root of the trouble and try to correct it.

Scarcely more than a generation ago, the life insurance agent was sometimes denied a hearing. He took this treatment in his stride, however, and persisted in his efforts. Today everyone realizes that life insurance is a necessity. And the modern agent is welcomed as a helpful financial advisor.

Let's Talk Things Over

It's funny how a lot of people take a chance when they build a home. They go to all kinds of trouble with the plans. They want everything including a streamlined kitchen, the last word in bathrooms, picture windows, and a landscaped garden. The money arrangements are perfect. In ten, fifteen or twenty years, the home will be really theirs. Just regular payments, somewhat like rent, only better, because they get something more for their money than just the privilege of living in a house.

But what is this chance they take? It's this: If death comes to the money-earner, the home may no longer be a place of refuge for the family, but a source of debt and despair.

And yet, by a perfectly simple Sun Life Mortgage Protection plan—only a slight addition to the monthly cost of paying for the house—the total balance of the mortgage would be wiped out in the event of death. Here's my advice, Mr. Homeowner: "Don't take a chance."

Let's talk things over—today!

At the conclusion of the meeting, members and friends paid honour to Miss Catherine MacSweyn, who celebrated her 88th birthday on August 20th, 1949. On behalf of the Society of which Miss MacSweyn is a member, Mrs. D. N. MacLeod presented her with a suitable gift. Though taken by surprise, Miss MacSweyn thanked all for their kindness in remembering her.

Refreshments were then served, the table being centred with a beautifully decorated birthday cake, which was made by Mrs. Allan.

District Woman Heads For North

TORONTO, Sept. 17.—Mr. and Mrs. Kenneth Emond and their two daughters left their suburban Weston home, Friday, for Ottawa, en route to the Arctic to work among the Eskimos.

Emond and his wife, both R.C.A.F. veterans, are headed for Fort Climo on Ungava Bay. Emond, a wartime pilot,

will serve as a welfare teacher. Mrs. Emond, born at Maxville, and a graduate of Cornwall General Hospital, will work as a nurse. They will take with them their daughters, Anne, five, and Norah, four.

Mrs. Emond said there is something about the Indian and Eskimo children "I could not resist."

Many Mourn Death Donald J. MacDonald

Many relatives and friends throughout Glengarry and elsewhere were shocked to learn of the sudden passing of the late Donald J. MacDonald, which occurred on the evening of August 11th. Mr. MacDonald had not been in the best of health for a number of years, but was somewhat improved in the last months, and was just returning for the night after being out on a short visit to the neighbours, when he was seized with a heart attack and passed peacefully away, fortified by the last rites of the Roman Catholic church.

Born in Lancaster township, in the year 1882, he was the youngest son of the late (Big) Rory MacDonald and his wife, Catherine MacDonald. His early life was spent at home until 1903, when he married Flora MacDonald, of Glen Andrew, Ont., who predeceased him in 1943.

For a number of years after his marriage, the late Mr. MacDonald operated a general store at Glen Andrew. He then went to Alberta for five years and on his return set up store business again in Dalkeith, until 1940, when due to his wife's ill health, he was forced to give up the business. Since his wife's death, the late Mr. MacDonald had resided with a brother, Angus MacDonald, and a sister, Marjorie MacDonald, in the 8th of Lancaster.

The late Mr. MacDonald made many friends in the West and in Northern Ontario, as he was an ardent sportsman, particularly addicted to the rod and gun. He was also a practical carpenter and in many homes throughout Glengarry some of his handiwork may be seen.

During the time the body rested at the Marcoux and Morris Funeral Home, many friends and relatives paid their respects to the deceased and offered heartfelt sympathy to his sister and brother.

The funeral took place Sunday afternoon, leaving the Funeral Home for Libera in St. Margaret's Church, Glen Nevis, after which burial was made in the family plot in the parish cemetery. Rev. Ewen J. Macdonald sang the Libera and recited the prayers at the graveside. The pallbearers were Major James R. MacDonald, M.C., E.D.; Archie J. D. MacDonald, Angus MacDonald, Duncan L. MacDonald, Ranald Hay and Arthur Lajeunesse. A Requiem High Mass was sung by Rev. J. A. Wylie, on Tuesday, August 16th.

Left to mourn his passing are one sister, Miss Marjorie MacDonald, and one brother, Angus MacDonald, and a nephew, Major James R. MacDonald, M.C., E.D., of Vankleek Hill, as well as several nieces.

The numerous Mass cards and messages of sympathy received showed the high esteem in which the late Mr.

Plan Induction Of Minister At Vankleek

At a regular meeting of the Presbytery of Glengarry of the Presbyterian Church in Canada, held in St. John's Church, Cornwall, Tuesday of last week, Rev. Earl G. Moore, B.A., minister of St. Luke's Church, Finch, was elected Moderator for the ensuing term in succession to Rev. H. A. Dolg, of Maxville, whose term has expired.

Mr. Dolg was cordially thanked for his services during the past twelve months. Rev. Dr. Donald N. MacMillan, Interim Moderator of Knox Church, Vankleek Hill, presented a call from that congregation to Rev. A. Gordon Faraday, M.A., late minister of Knox Church, Halifax, N.S. The call was very well signed and was enthusiastically supported by representatives of all branches of the congregation.

Presbytery was unanimous in resolving to sustain the call. Acceptance of the call was secured from Mr. Faraday and Presbytery arranged to hold the induction on Thursday evening, September 29th. Rev. E. G. Moore, Moderator, will preside and induct; Rev. D. N. MacMillan, Interim Moderator of the congregation, to narrate the steps leading to the call; Rev. Donald C. MacDonald, of Avonmore, will preach the sermon; Rev. E. E. Preston, late minister of Knox Church, to address the minister; Rev. D. N. MacMillan to address the people.

Rev. D. C. MacDonald, Avonmore, convener of the S.S. and Y.P.S. committee, announced that a Y.P.S. rally would be held at Avonmore on Friday, September 30th. The guest speaker will be Very Rev. C. Ritchie Bell, D.D., Montreal, last year's Moderator of the General Assembly.

The next meeting of Presbytery will be held in St. John's Church, Cornwall, on Tuesday, November 29th.

Rev. H. A. Dolg, Moderator, presided during the earlier deliberations of Presbytery, with Rev. Robertson Millar, of Martintown, present in his capacity as Presbytery clerk.

DONALDA FRASER BRIDE OF GLEN MacINTYRE

Tayside Baptist Church was the scene of a pretty, late summer wedding, Saturday, September 17th, when Donaldia May, daughter of Mr. and Mrs. Stanley Fraser, Moose Creek, became the bride of Glen Rutherford, son of Mr. and Mrs. A. J. MacIntyre, Avonmore. Rev. H. Bryant, Maxville, officiated at the service.

The church was decorated with baskets of fall flowers and leaves banked with fern. The wedding music was rendered by Miss Ola Stanley, Russell, cousin of the bride. Mrs. Howard Buell, Monckland, was soloist and rendered "Because" and "The Lord's Prayer."

The bride was given in marriage by her father, and chose a floor length gown of nylon over satin. It was designed with a fitted bodice and had a tucked yoke, over this a tucked bolero buttoned to the waist. She wore matching net mittens and her fingertip veil was caught with a coronet of orange blossoms. Her bridal bouquet was made up of American Beauty roses and gladioli.

Miss Wilma Fraser, as maid of honour, and Miss Helen MacIntyre, as bridesmaid, wore matching dresses of mauve and yellow moire taffeta. The gowns were designed with off the shoulder necklines having an inset of nite yoke. Bustle effect accentuated the skirts. They carried colonial bouquets of yellow and mauve baby mums. Miss Penny McDonald acted as flower girl, and wore a floor length gown of green moire having a sweetheart neckline and a tiny peplum. She carried a basket of yellow and mauve baby mums.

Mrs. Fraser, mother of the bride, chose a street length dress of slate blue with black accessories and a corsage of Talisman roses. Mrs. MacIntyre, mother of the groom, wore a street length dress of grey with black accessories and a corsage of Talisman roses.

Following the ceremony a reception was held at the home of the bride's parents, where a three-tiered wedding cake centred the table. Tall candle tapers and pink gladioli also decorated the table. Mr. and Mrs. MacIntyre left for their wedding trip to Montreal, Newport, Vt., and New York City. For travelling, the bride chose a navy gabardine suit with navy accessories and a grey top coat. Her corsage was of American Beauty roses. Mr. and Mrs. MacIntyre will reside at Avonmore.

Many guests from a distance were present at the wedding.

McINNIS - JENSEN

A lovely wedding was solemnized in the Presbyterian Memorial Church at Rocky Mountain House on September 10th, at 2 p.m., when Miss Tilly Katherine Jensen, only daughter of Mr. and Mrs. Lawrence Jensen, became the bride of Mr. Milton Lewis McInnis, only son of Mrs. Annie McInnis and the late Mr. John W. McInnis, of Bruce.

The bride, entering the church on the arm of her father, wore a floor length gown of white satin with sweetheart neckline and lily point sleeves. Her floor length veil was held in place by a sweetheart coronet and her only piece of jewellery was a sterling silver necklace, a gift of the groom. She carried a bouquet of American Beauty roses.

She was attended by the sisters of the groom. Miss Jeanette McInnis, as maid of honour, chose a pale blue sheer gown over taffeta and a chapel veil. She carried a bouquet of white carnations.

The groom was attended by Mr. Henry Powers of Weststock, and Mr. Albert Jensen, brother of the bride, acted as usher.

Reverend Marsh officiated at the ceremony.

For the occasion of her daughter's wedding, Mrs. Jensen chose an afternoon frock of black and white checked jersey with black accessories and a corsage of rosebuds.

Mrs. McInnis, mother of the groom, wore a salmon pink frock with side drape and three quarter length sleeves. Her accessories were in brown and she wore a corsage of rosebuds.

After the ceremony a reception was held at the home of the bride's parents, the bride's table being centred by a three tier wedding cake.

A toast to the bride was proposed by Mr. Dave Edwards to which the groom responded.

For her wedding trip to Sylvan Lake and Banff, the bride chose a blue suit with pink accessories and a corsage of rosebuds.

On their return they will take up residence in Edmonton, where the

groom is in his senior year University. The out-of-town guests included Miss Christy McRae of Vankleek Hill, and Mr. and Mrs. Art Ham of Bruce.

United Presbytery Met Last Week

The regular fall meeting of the Glengarry Presbytery of the United Church of Canada was held in Knox United Church, Cornwall, on Tuesday, of last week. The chairman of Presbytery, Rev. E. B. Bugden, of Lunenburg, constituted the meeting with devotional exercises, after which the members heard Dr. Denzil G. Ridout, D.D., of the Missionary and Maintenance Department of the church.

Dr. Ridout appealed for continued and ever increasing support for the Missionary and Maintenance Fund. He pointed out that although there are 129,000 more families in the church now than in 1930, the Missionary and Maintenance Fund is still below the level reached in that year. We must still appeal and continue to appeal for money, he claimed, because we have not yet sufficient to do the job. Insofar as the objective of \$3,000,000 set for 1950 is missed, so will church work suffer. If givings are insufficient then ministers cannot be paid the minimum salary, the pensions of those who have retired will be too inadequate and work which should be done will be left unfinished.

Dr. Ridout outlined a plan whereby every family of the United Church can be visited, so that by the time the Church is ready to celebrate its 25th anniversary in 1950 all will have been given the opportunity to share the burden which the work places upon them.

Appeals for Ministers

The afternoon session opened with an address by the president of the Montreal and Ottawa Conference, Rev. L. M. Somerville, of Spencerville. Mr. Somerville chose as his subject, "The Need of this Age." He pointed out the need of a "revival and quickening in the church" and appealed for more recruits for the full-time work of the church. Mr. Somerville contended that ministers must be prepared to help young people heed the call to the work of the church.

Rev. S. Milley, of Apple Hill, presented the report for the Committee of Religious Education. He recommended the three "B" plan for Enlargement and Enlistment through Evangelism as a Sunday School program. The convener called upon Rev. R. A. Mitchell, of Avonmore, director of the Presbytery Boys' Camp at Kagama, to report on the camp, and the Young People's Camp at Rideau Hill. Both camps were successful meeting all the requirements of the church in every way.

Rev. H. Beach, of Finch, reported for the Committee of Education and Students, recommending that Messrs. E. Johnston, R. B. Hamilton and J. V. Vowles be recommended by Presbytery to Queens, Pine Hill and Toronto theological schools, respectively.

Oppose L.D.A. Infractions

The Committee on Evangelism and Social Service, through its convener, Rev. R. A. Mitchell, of Avonmore, presented resolutions which were adopted by the Presbytery requesting members to oppose infractions of the Lord's Day Act and to abide themselves by its pronouncements. It was also resolved to commend the action of the attorney-general, Dana Porter, for the directive he sent to local authorities calling upon them to act against those who sell goods or carry on commercial amusements on the Lord's Day. A further resolution was adopted requesting the Robb Board to refuse the Canadian National and the Canadian Pacific Railways' request for permission to operate "bar-room" cars on their trains.

Rev. Howard Hamilton, reporting as the convener of the Missionary and Maintenance Committee, advised the court that, as at present, the Presbytery had reached an amount in M. & M. givings which is 40 per cent above that of the same period a year ago. He warned, however, that some charges are behind in their givings and that every effort should be made now to reach the Presbytery's objective of 1949.

The Presbytery learned with deep regret that Rev. E. A. Kirker, of Martintown, has applied for a change in the pastoral relationship, and will leave his duties at Martintown by October. Mr. Kirker has accepted the position of associate minister at Chalmer's United Church, Verdun. The secretary of the Presbytery, Rev. G. W. Irvine, was appointed temporary chairman of the Official Board for Martintown.

Rev. W. Parsons was reappointed chaplain to the St. Lawrence Sanatorium for the ensuing year, and stated supply at Summerstown. Mr. Mervin Peters, Rev. R. Kelly and Rev. J. H. Hamilton were appointed stated sup-

ply to Aultsville, Dalhousie Mills and Moose Creek, respectively, for the following year.

Maxville Prepares For Hockey Season

John W. MacEwen was re-elected president of the Maxville Millionaire Hockey Club, at the annual meeting held in the W.I. Hall there.

Leonard Hurd, last year's manager, presented the financial statement of the club for the past season, which showed a substantial profit realized. Plans for the coming season were discussed, several suggestions being presented for the raising of money.

The following slate of officers was elected: Honorary presidents, O. F. Villeneuve, M.L.A., Glengarry; W. J. Major, M.P., Glengarry; James A. MacArthur, warden of the United Counties; W. A. MacEwen, reeve of Maxville; Angus H. MacDonald, president, John W. MacEwen, vice-president, Leonard Hurd; secretary-treasurer, Roy Chandler; manager, Dr. D. M. Gamble; assistant-manager, D. T. Munro; assistant-coach, Leonard Hurd; trainer, Francis Guindon; club physician, Dr. J. F. Mutch.

Booster committee, Hugh Stewart, Arthur Currier, H. J. Morrow, Francis Guindon, C. L. Kippen, W. N. Duperron, William MacEwen, Jr., Ovilla Deth, C. J. McPhail, Ben F. Villeneuve, T. J. Bourke, Jock Rozon, Wilfred MacEwen, Maurice Lavigne, entertainment committee, M. C. Woods, C. L. MacGregor, T. P. Bourke advertising, Laurier Lavigne, Ian Metcalfe.

Appointment of a coach was left to the discretion of the executive, but the name of Angus MacDonald, last year's capable mentor, was suggested for the position.

Speaking on Adult Education, Miss Edith Ferguson of Dunvegan, refuted the saying "You can't teach an old dog new tricks." As one grows older the power to reason grows, she pointed out. If we are going to keep our democracy safe we need adult education, and Miss Ferguson thought our forums are an important aspect of such education for democracy.

Mr. Clare Burt, Toronto, secretary of farm forums in Ontario, congratulated Glengarry on the way it has formed and carried on its many forums. He outlined ways and means of improving meetings and emphasized the necessity of publicity in newspapers and radio. He touched on finances in each group; promotion of other new groups and the desirability of interesting local clergymen in visiting our meetings. He suggested the forums approach their teachers to review the Monday evening broadcasts at Tuesday morning lessons.

The speakers were thanked by John D. MacLeod, Dunvegan. Val J. Chisholm of Glen Sandfield, president of the county forums, presided. A lunch was served by the ladies of the various forums.

Wins Scholarship Valued At \$1,000.00

A Grade 13 student at Williamstown High School during the 1948-49 term, William J. Thompson of Cornwall, has been advised he is the winner of the A. J. and Margaret Grant bursary awarded by Queen's University with a value of \$600, and also a Dominion-Provincial scholarship valued at \$400. The awards were based on results of senior matriculation papers written last June.

A son of Mr. and Mrs. C. A. Thompson, Cornwall, Mr. Thompson will attend the University at Kingston this fall. He will register in the Faculty of Arts.

Impressive Tribute...

(Continued from Page 1)

The pallbearers were: Dr. John Tomlinson, James McPhee, James Baker, Harold Stimson, Ronald McPherson and Daniel Macdonald.

Chief mourners were his mother, Mrs. Archie MacPhee of Detroit; two brothers and three sisters, Archie MacPhee of Detroit, Leo MacPhee of Toronto, Mrs. Dan MacDonald, Mrs. John McIntosh of Detroit, and Mrs. A. Edward MacDonald of Floral Park, L.I. Another brother, John, of San Francisco, Cal., was unable to be present.

Among other relatives and friends present from a distance were: Dr. and Mrs. John Tomlinson of Toronto; Mr. Archie MacPhee and Miss Monica McPhee, Smiths Falls; Mr. and Mrs. Alex McPhee, James McPhee and Miss Mary McPhee, Miss Anne McIntosh, Misses Elizabeth, Kathleen and Helen Ruddy, all of Ottawa; Mr. John McIntosh of Detroit; A. McDonald and son, Edward, Misses Sally and Gertrude MacDonald, Miss Theodore MacDonald, R.N., all of Montreal; Mr. and Mrs. James Baker, Mrs. R. W. Cameron, Cornwall; Mrs. Wilfred Montcalm, Moose Creek.

Floral pieces were from: The family, the McPhee family, Smiths Falls and Ottawa; Canadian Government Immigration Mission at Karlsruhe, Germany; Dr. and Mrs. John Tomlinson, Toronto; Mr. and Mrs. Jack Stinson, Windsor; the Veterans' Administration, Detroit. A donation from the Chesapeake and Ohio Railway, Detroit, was made to the Polio Fund in memory of Dr. MacPhee.

The family received many messages of sympathy from associates of Dr. MacPhee in London and Europe, as well as from Captain Edward A. Curran, Catholic Chaplain, U.S. Army Headquarters, Bremmervaven, Germany, who administered the last rites to Dr. MacPhee and who was with him when he died. There was also a letter from Hon. P. A. Martin, Minister of National Health and Welfare, Ottawa.

Effective Publicity Will Prove Of Great Benefit To The Dairy Industry

Insurance of dairy products through the advertising of their many benefits is the only answer to the drop in milk sales, which has followed from the sale of margarine, Brian L. White, editor of the Ottawa Farm Journal, told a gathering of district breeders at the annual banquet of the Glengarry Ayrshire Breeders Association, held Tuesday evening of last week in St. Andrew's Hall, Williamstown.

Effective advertising will do much for better understanding of the farmer's problems and will result in wider support of farm organizations, Mr. White declared.

"I suggest that insuring one's means of livelihood is wise when it can be done," he said. "I further suggest that the plan to promote and advertise dairy products is simply a form of insurance for dairy farmers. And if a voluntary levy to carry out the campaign is sought by farm organizations across the country, I suggest that levy be regarded as a small insurance payment."

Many Producers

Mr. White said there are about 425,000 milk producers in Canada and city people wonder why the product is not cheaper.

"Milk production cannot be cheap in the face of rising wages, the rising cost of living, heavier expenses than we have ever before faced and high prices on all goods," he said. "If we had an advertising campaign in motion, however, we would be able to acquaint people with the facts. We could show them where cost of milk production is proportionately as high as any other labor. And at the same time we would be boosting sales." The speaker disclosed there was a six-million-pound increase in consumption of margarine in Canada last year while butter consumption dropped exactly the same amount.

"The manufacture of margarine has resulted in new troubles," he said. "The dairy industry provides employment for thousands of Canadians. But the manufacture of margarine does not necessitate the hiring of more than 200 people from coast to coast. Quite apart from this, margarine has resulted in a surplus of milk products. That surplus is no longer easy to sell. The export market used to take care of it. Today that market is slight. And although our milk surplus may be required in certain countries, currency difficulties make it impossible for these nations to do business with us."

Bigger Sales

The speaker said that people today advertising campaign the dairy industry hopes to set up is the endeavour to sell more dairy products to Canadian consumers and to acquaint them with the labour and other difficulties experienced in the industry.

"There is a big job to be done in the promotion and advertising of dairy products in Canada," Mr. White said. "It is a job that needs to be done and that has to be done. And if properly conducted, benefits would be nationally recognized among dairy farmers."

The speaker said that people today are advertising-conscious. He drew attention to the huge list of commonly-used products which would probably enjoy only a small fraction of their present sales if they were not well advertised.

"It is possible to do wonders with advertising," he said. "But in this proposed campaign, I do not refer to paid ads in newspapers or on radios. There are other methods of getting a message, provided it is a truthful message, across to the people. There are radio lectures, addresses by qualified speakers before large crowds, special films, demonstrations and a host of other activities."

Will Lead Drive

Mr. White said the various farm organizations will probably lead the way in this campaign. He called attention to the power of these groups and to the manner in which they have steadily expanded in a few years.

"This new movement among milk producers is designed to try to get people interested in the dairy farmers' problems and to try to promote better relations between the milk producer and the consumer," he said. "Most farm organizations are agreed that it can be done."

Mr. White was introduced by Mr. David Hunter, of Cornwall. Other speakers at the banquet included J. Y. Humphries, Glengarry agricultural representative; J. A. McArthur, warden of the United Counties; Lloyd MacRae, president of the Glengarry Holstein Breeders' Association; John McLennan, president of the Glengarry Ayrshire Breeders' Association; Russell Newton, director of the Eastern Ontario Ayrshire Club, and Donald Cummings, di-

rector of the Canadian Ayrshire Breeders' Association.

Music was provided by Arthur Stimson and Ubald Ranger, of Alexandria. Mrs. Clifford McIntyre sang several Scottish songs and later led in a sing-song. Mrs. David Hunter also rendered several vocal selections.

Many New Teachers Needed In Canada In Next Five Years

FREDERICTON, N.B., Sept. 14. —

Any easing this last year in the teacher shortage is likely to be "sweet aside" by the effect of increasing enrolment, says a report on the status of the teaching profession in Canada.

The report was prepared by a Canadian Education Association committee under the chairmanship of Dr. M. E. Lazerte, dean of the faculty of education, University of Alberta, for presentation at the C.E.A. annual meeting.

41,537 Needed Yearly

It estimated that in the next five years 66,294 new teachers will be needed in Canada. Of this total, 14,757 will be needed to meet the increased enrolment and 10,000 to replace the present partially qualified or unqualified teachers. A total of 41,537 will be necessary to meet the annual loss of teachers to the profession from marriage, death, retirement and other factors.

The report said that in 1948-49, the shortage of trained teachers stood at 7,039, an improvement over the previous year's total of 7,276, to which was added 3,584 teachers who were without qualifications.

In the 1946-49 period a total of 214 schools closed in Canada through lack of a teacher. Of these, there were 100 Roman Catholic schools closed in Quebec, and nine Protestant. A total of 1,200 Roman Catholic schools in the province were without qualified teachers, and 190 Protestant.

In Alberta, there were 44 schools closed and 760 without qualified teachers.

Ontario Short 1,185

While there were no schools closed in either Saskatchewan or Ontario, the number lacking qualified personnel was 1,270 and 1,185, respectively.

New Brunswick and British Columbia each had 25 schools closed because of the shortage. The number without qualified teachers was 636 and 280, respectively.

Prince Edward Island had 11 closed and 71 without qualified teachers.

While Nova Scotia and Manitoba kept their schools open, there were 550 lacking trained personnel in Nova Scotia, and 683 in Manitoba.

COUNTY CORRESPONDENCE

APPLE HILL

The September meeting of the W.M.S. of Zion United Church, was held Thursday evening at the home of Mrs. Everad Helmer, Strathmore, with the vice-president, Mrs. Harold Colbran, presiding.

Mrs. Scott Miller had charge of the worship service, which consisted of Scripture readings, silent prayers and the theme hymn of the Dominion Board.

The missionary program, introducing the new study book, "Growing With the Years," was presented by four members, Mrs. P. D. McIntyre, Mrs. W. McMillan, Mrs. J. W. Munro and Mrs. George Colbourne. An appeal was read from the Dominion Board for more readers and more members as well as full use of the study book.

The minutes of last meeting were read by Miss Olive Crawford, in the absence of the secretary. The roll call was answered with a thought on "Harvest."

A letter appealing for worn and new clothing for church relief abroad was read.

Mrs. McMillan gave the treasurer's report. At the close of this meeting the Women's Association, with the president, Mrs. George Colbourne in the chair, made final arrangements for the supper to be served on Tuesday evening, following the 60th anniversary services on September 25th, when Rev. Percy Lambert, of Maple, will be the guest speaker.

The meeting closed with the benediction, in unison.

On foot, United Nations observers have crossed a river in Pakistan and are nearing a disputed outpost. The altitude here is more than 10,000 feet and much of the footing is ice. The lead man uses the staff of his U.N. identification flag as a walking stick.

Britain Welcomes Marshall Aid Shipments

MARSHALL AID sugar from the Caribbeans arrives in Britain. Pictured here with the ECA's Food and Agriculture Director, E. M. Holmgren (extreme right), is the British Minister of Food, John Strachey, who visited London docks for the unloading of 4,700 tons of raw San Domingo sugar purchased with the help of Marshall Plan dollars. Without U.S. aid through the European Co-operation Administration, Britain's weekly sugar ration of 8 ounces per person would be further reduced.

GOOD CITIZENSHIP is a lot of little things

WAIT ON THE CURB FOR YOUR BUS

Canadian cities and towns have more cars and trucks on their streets than ever before. And in order for transportation systems to provide their most efficient service, traffic must be kept moving. Frayed nerves and angry tempers inevitably result when pedestrians edge out on the road for an approaching street car or bus. By waiting on the sidewalk you help to avoid traffic congestion and remove a cause of needless accidents. Any contribution to the common good is proof of your "Good Citizenship".

MASSIE-LEGAULT NUPTIALS HERE

Sacred Heart Church, Alexandria, was the scene of a very pretty event on Saturday, September 10th, when Yvette Legault, daughter of Mr. Adelard Legault, became the bride of Gerard Massie, son of Mr. and Mrs. Arcadius Massie, all of Alexandria.

The bride, given away by her father, wore a white satin dress with draped effect around the shoulders coming to a bow knot in front, tulle yoke, full skirt and long sleeves coming to a point over the hands. She carried a bouquet of red roses.

Her bridesmaid, Miss Claudette Massie, wore a floor length pink tulle dress with pink veil and carried a bouquet of yellow gladioli.

Mrs. Gerald Brunet, sister of the groom, was matron of honour. Her bouquet was of red gladioli. She was accompanied by her husband, Mr. Brunet.

Mr. George Massie, brother of the bride, was best man. Rt. Rev. Msgr. Emile Secours performed the ceremony in the presence of a large number of friends and relatives.

The groom's mother wore a navy blue dress with black accessories.

A Child of Mary, the bride was accompanied to the Altar of the Blessed Virgin by her two cousins, Misses Laurette Montpetit and Pauline Legault, where the Act of Consecration was read.

The groom's gift to the bride was a three-strand pearl necklace. The bride's gift to the groom was a leather billfold.

Mr. and Mrs. Massie left the same day on a wedding trip to Toronto, Niagara Falls and Chatham. For travelling the bride wore a cinnamon brown gabardine suit with dark green accessories.

Among those attending the wedding from a distance were Mr. and Mrs. Omer Legault, Mr. Ferdinand Massie, Mr. and Mrs. Albert Legault, of Montreal; Miss Simonne Menard, Lachine; Mr. and Mrs. Arthur Montpetit, St. Isidore de Prescott; Mr. and Mrs. Bruno Cyr, L'Orignal; Mr. and Mrs. Loreaux Levert and children, Mr. and Mrs. Conrad Levert and children, Mr. and Mrs. Bruno Levert, Mr. and Mrs. Rodolphe Levert, all of Green Valley; Mr. and Mrs. Dorina Legault, Mr. and Mrs. Arthur Legault, of Glen Robertson, and many other relatives and friends from Alexandria.

Several cheques and many beautiful gifts were received by the young couple.

On Thursday, September 1st, a shower was given in honour of the bride when she was presented with a three-piece vanity set of two boudoir lamps and a bed lamp as well as a beautiful enamel finish bathroom hamper.

IONA ACADEMY SETTING FOR MARRIAGE

The chapel of Iona Academy, St. Raphael's, was the setting for a quiet wedding of wide interest, Saturday morning, September 10th, when Mary Jane, daughter of Mr. and Mrs. Hugh R. MacDonald, St. Raphael's, became the bride of Cormick McDonald, son of Mr. and Mrs. Patrick R. McDonald, of Alexandria. Rev. Donald A. Kerr officiated at the service.

The bride was given in marriage by her father and chose a grey suit of Bristol wool, with which she wore wine accessories. Her corsage was of wine gladioli. Miss Isobel MacDonald, Ottawa, acted as maid of honour, and wore a wine suit with black accessories and a corsage of white gladioli.

Martin McLennan, of Alexandria, cousin of the groom, acted as best man.

Previous to her marriage the bride was guest of honour at a kitchen shower given by Mrs. Joseph Chisholm and Mrs. Cuthbert MacDonald. Miss Bess MacDonald and Mrs. J. A. MacDonald, Alexandria, were joint hostesses at a miscellaneous shower for the bride. Mrs. Peter Morris and Mrs. Bruce Irvine, Alexandria, entertained at the tea hour to honour Miss McDonald.

Mr. and Mrs. McDonald will take up residence on Catherine street west, Alexandria.

On their return from their wedding trip the young couple were honoured by many friends at a reception in Alexander Hall, Tuesday evening. John Chisholm read an address and a well filled purse was presented by John Valentine McDonnell.

DURANT-MacGREGOR

A wedding of local interest was quietly solemnized by Rev. Iver MacIver, at St. Paul's Presbyterian Manse, Winchester, on Saturday, September 17th, at 3 p.m., when Miss Pearl Margaret MacGregor, youngest daughter of Mrs. Wm. J. MacGregor and the late Mr. MacGregor, of Alexandria, was united in marriage to Mr. Gordon Earle Durant, only son of Mr. and Mrs. P. S. Durant, of Winchester.

The bride was attended by Mrs. John R. MacGregor, as matron-of-honour, while John R. MacGregor performed the duties of best man.

For her wedding, the bride chose an afternoon two-piece dress of dove grey gabardine with wine accessories and a corsage of Talisman roses and baby mums.

Mrs. MacGregor wore a turquoise blue dress with black accessories and a corsage of yellow roses and mums.

Immediately following the ceremony the young couple left on a motor trip to the United States.

On their return Mr. and Mrs. Durant will reside in Winchester, where Mrs. Durant will continue her duties as operator with the Bell Telephone Co.

Cornwall Nears Loop Championship

Alexandria fans have in all probability seen their last lacrosse of the season as a result of Wednesday evening's 19-7 victory by Cornwall over the St. Regis Indians at the local gardens. The league leading Cornwall squad had previously taken two 20-10

wins, at Cornwall, Friday and here on Saturday. An almost certain win at Cornwall, tonight, will give Cornwall the league championship.

An estimated 1,200 fans, many of them from Cornwall Island, witnessed Saturday night's game at the Gardens and very nearly as large a crowd was back for Wednesday's third game of the series. In both contests, the Indians showed a woefully weak brand of lacrosse.
